Chip,
I'd like you to participate in this site visit. You're welcome to bring Eric or any one else. Please let me know who from EPA plans to come.

Thanks

James M. Anderson

Finally heard back from Matt Cusma giving the ok to add folks from EPA to site visit on Aug 3rd. We will need to leave here around 8:30 to get there by 9 am meeting time. Jim, go ahead and let EPA know.
